

TOWA

*A powerful cash register with multi-line screen
and fast, silent thermal printer*

TL-550

Raised Keyboard version available

Versatile and feature-rich, the TL-550 can be customized to your business needs

The interactive multi-line alphanumeric display provides on-screen operator help

In Sales (REG) mode, the back-lit, 24-character screen displays product names and prices as sales are entered and can prompt the operator by displaying help messages.

In Report (X/Z) mode, the screen displays a list of reports for management to view or print.

In Programming (P1/P2) mode, the screen guides management through set-up, price and product name changes.

Fully loaded with advanced features for hospitality and retail at the point of sale

- Multi-line operator screen
- 5 clerks/customers can be on hold simultaneously or 30 x table function selectable by flag
- Drawer open alarm with programmed time delay
- Drawer closed compulsory
- Age verification feature for tobacco and alcohol sales
- 6,000 PLUs
- Cash lift alarm warns when cash in drawer reaches pre-programmed limit
- Foreign currency/Euro conversion

Powerful Electronic Journal

16,380 transaction lines can be held in memory. In the event of a customer query, you can search the electronic journal by time and date and display and/or print the information.

Housing Size: 350 (w) x 410 (d) x 265 mm (h)
Weight : 15 kgs

Raised Keyboard version

Silent alphanumeric printing plus graphic logo

The noiseless 16-digit alphanumeric printer operates at the speed of 13 lines per second. Your company logo or special design can be loaded and printed on each receipt, followed by programmable commercial messages.
